OPENING.

The School will open on Thursday, September 24, 1908, at 4 P. M., in the Theatre of the College of St. Francis Xavier. The opening address will be given by the HON. ALTON B. PARKER.
PURPOSE OF THE SCHOOL.

It is the aim of the school to make its students efficient lawyers and qualify them for the conduct of public affairs, for the proper administration of which a knowledge of the law is essential. Therefore the historical and philosophical development, as well as the practical application of the subjects in the courses, will be taught. A very comprehensive course of lectures on Jurisprudence will be delivered.

The design of the School is to afford a practical and scientific education in the principles of

General Jurisprudence.
The English and American Systems of Equity Jurisprudence.
The Civil and Roman Law.

PERIOD OF STUDY.

The Course for the degree of Bachelor of Laws will cover three years; the Fourth Year's Course is required for the degree of Master of Laws.

The Fourth Year's Course will not be given until the year 1909-1910. The Professors in the various subjects will be announced hereafter.

SYSTEM OF INSTRUCTION.

The case system will be followed.

A certain number of cases will be assigned each day for study.

The instructor will go over the matter embraced in the cases, discussing with the students the points and principles involved.

Students will thus have the fullest opportunity for familiarizing themselves with each topic treated in the course; first, by a careful study of the leading cases, and then by discussion with the instructor.

ACADEMIC YEAR.

The first half of the Academic Year, 1908-9, will begin Thursday, September 24, 1908, and end January 31, 1909. The second half year will begin February 1, 1909, and end Tuesday, June 8, 1909. Recitations will be suspended on all legal holidays and the day fol-
lowing Thanksgiving Day; from Wednesday, December 23, 1908, to Monday, January 4, 1909; and from the Thursday preceding Easter Sunday to the following Monday, both inclusive.

Academic standing will be forfeited by absence from more than ten per cent. of the required lectures. Students unavoidably absent on account of illness or otherwise may be excused at the discretion of the Faculty.

STUDIES REQUIRED FOR DEGREE.

Every candidate for the degree of Bachelor of Laws will be required to take all the subjects of the first three years, and every candidate for the degree of Master of Laws will be required to take all the subjects of the fourth year.

REQUIREMENTS FOR ADMISSION.

Applicants for degrees must be at least eighteen years of age, present certificates of good moral character, and be

(a) Graduates of a University or College approved by the Board of Regents of the University of the State of New York; or,

(b) Graduates of a high school maintaining a four years' Course, or its equivalent.

All applicants for degrees must be graduates of colleges or schools, registered or approved by the above Regents, or must produce a certificate from the Regents showing that they have received an education equivalent to the above requirements.

The Department of Education has issued a bulletin known as Handbook No. 27, which contains full information as to the institutions recognized by the Regents and the Courses which will be accepted as equivalent. Copies may be obtained by application at the School.

SPECIAL STUDENTS.

Special arrangements will be made with students who desire to pursue one or more courses at regular lecture hours.

LAW LIBRARY.

A well equipped library of American and English reports and textbooks is open at the school for the use of the students from 9 A. M. to 10 P. M., and every facility has been provided for research. Liberal additions will be made to the library as required.
EXAMINATIONS.
Examinations will be held at the completion of each subject in the course. Students failing to pass satisfactorily may, at the discretion of the Faculty, be conditioned and given the opportunity of an additional examination in the conditioned subjects.

SCHOLARSHIPS.
The students of the first three classes attaining the highest average in recitations and examinations in their respective studies will each be awarded a scholarship for the succeeding year.

ADMISSION TO THE BAR.
College Graduates are entitled to apply for admission to the New York Bar after regular attendance at the school for two years. A three years' course is obligatory for others. An office clerkship is not required.

Students desiring to obtain a certificate of regular attendance, which is accepted by the State Board of Law Examiners as equivalent to a year's study of Law, must register not later than the first Monday of October, and maintain an average attendance at the lectures for the year of not less than 90 per cent.

FEES.
The fee for instruction is One Hundred Dollars per annum, payable in advance, or Fifty Dollars on entrance and the balance on January 2d following. A fee of Ten Dollars on examination for a degree is also payable.

COST OF LIVING.
The school does not maintain a boarding department, but information as to where board and rooms can be obtained on such terms as each student desires to pay will be furnished on application.

NEW JERSEY PRACTICE.
During the year 1909-1910 a course of lectures on New Jersey Practice will be instituted. The dates and the lecturer will be announced later.
