Congresswoman Ferraro

Dear Congresswoman Ferraro:

Congratulations! The first woman vice president!
Congratulations again...

I do hope you remember me-In June of 1980, I spent an exciting three week internship in your Washington office. During that time I was a participant in the Washington Workshops Advanced Congressional Seminar. Back then we use to say "A Woman's place is in the House and Senate" now we can say a woman's place is in the "House"-the White House, that is.

Since then I have spent much of my time away at school. Although I was away from New York City, with my Grandmother's help, I have followed your career. Right now my Grandmother is actively campaigning for you,---she is showing the picture I had taken with you on the steps of Congress to all of Centereach, Long Island.

In May I graduated from Colgate and I am now working for a law firm in Manhattan. I still have plans of going on to law school, but felt I needed a year off from school.

Now that you have made the ticket "A TICKET" I am really looking forward to working for a Democratic Victory this November. I will be contacting the local Democratic Campaign Committee. Maybe we will meet during the campaign and I will have the pleasure of sharing another hot fudge sundae with you.

Sincerely,

MONDALE/FERRARO

Dear [REDACTED],

I was delighted to receive your kind congratulations upon my nomination. I appreciate your warm words of support.

I look forward to working with you in the coming months as Americans across the nation unite to defeat Ronald Reagan in November. With your help, November 6, 1984, will be an affirmation of the America that we Democrats believe in and the guarantee of an America with a bright and shining future for all of us.

Again, my thanks for your support.

With best wishes,

Cordially,

Geraldine A. Ferraro
