Mr. John D. Feerick

Riverdale 63, New York

Dear Mr. Feerick:

Thank you for sending me the copy of your article on Presidential Inability in the Fordham Law Review. I sincerely hope that Congress will propose an amendment in this field and that it will enact a statute to cover the interim.

The subject is of much greater importance to the national security and to the continuity of government than most people realize.

In case you have not seen it, attached to this letter is a copy of the hearings on Presidential Inability on June 11th and 18th, 1963, before the Senate Judiciary Committee. If your time permits, I commend to your reading my own testimony at pp. 40-55.

With best wishes,

Louis C. Wyman, M.C.
