Honorable Geraldine Ferraro
U.S. House of Representatives

Ms. Ferraro;

Congratulations and good luck. You got my vote.

President Reagan swears he will not raise taxes. This is too hard to believe. He claims he will make further cuts in spending.

Unless the President states before election day, where those cuts will be made and how deep, will the cuts be, a person would be a damn fool to vote for him. This is the same as buying a pig in a poke. A voter could be cutting his or her own throat to vote for Reagan without the honest facts.

Reagan must think this is 1884 in the wild west and the days of mail order brides.

Sincerely yours
