## ***Faculty Bibliography***

July 2020 - June 2021

Fordham University School of Law

This is the final version of the Fordham Law School Faculty Bibliography covering July 2020 through June 2021. We strive to make the bibliography as complete and error-free as possible. If you notice any omission or error in this document, please immediately send any additions or corrections to Kelly Leong, Head of Reference, at [kleong4@law.fordham.edu](mailto:kleong4@law.fordham.edu).

This bibliography represents books, journal articles, book chapters and other scholarly writings published by Fordham Law School Faculty and senior staff between **July 1, 2020** and **June 30, 2021**. Published items appearing in the previous year's bibliography will not appear in the current year's bibliography. As of this edition of the bibliography, we are no longer including forthcoming items. Items that were previously listed as forthcoming in the 2019 & 2020 bibliographies will appear again only in the bibliography corresponding to the year in which those items appear in print.

Materials for the Faculty Bibliography were gathered by all the Library Liaisons with assistance from our Library Research Assistants. Compiling and editing were completed by Alissa Black-Dorward, Nate Delmar, Janet Kearney, Kelly Leong, and Todd Melnick. The Law Library would like to thank everyone for their efforts in putting together this Faculty Bibliography.
