Letter from a Connecticut Supporter to Geraldine Ferraro

Geraldine Ferraro

Branford, Ct ██████
Aug. 18. 1984

Dear Ms Ferraro,

We're solidly for you. However, we are hopeful that

1) you'll keep your cool when the Republicans try to get to you -- remember they are the "dirty tricks" folks - and,

2) you'll do your homework on all major issues, know where you stand, and why. Pronto!

We're independents and it isn't really enough that you're our favorite -- a woman (hurrah), an Italian-American (hurrah), ███████ (hurrah), but we want you to be the best candidate possible.

So please do your homework, and when you're right, stand your ground.

We're rooting for you all the way.

Wishing you lots of good luck,

██████████

P.S. You can be a Catholic, be against abortion, but, as a public servant, feel that you do not have the right to press your own sense of morality on those of different religious persuasions.
