Letter from a New Jersey Supporter to Geraldine Ferraro

Geraldine Ferraro

Recommended Citation

Dear Mrs. Ferraro,

God Bless you and your wonderful family. We can imagine what you are going thru these days.
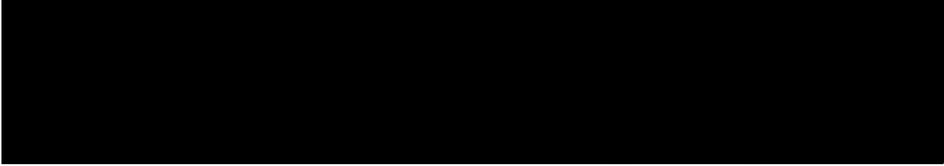

Don't let certain "talk show" commentators and their friends distract you. Their vicious and senseless attack on you and Mario Cuomo shows what kind of people they are — full of hate + jealousy.

don't despair, go out and fight harder than before.

The good Americans will listen to you because you fight for a good cause.

We shall win!

Good Luck — we love you.
