Dear Gerry

We never write letters to public personalities. You are our one exception.

We have been outraged and incensed with the sensationalism used by the news media prior to your press conference.

You can hold your head up high and be proud of your and Mr. Zaccaro's financial disclosures.

You have conducted yourself as a public official possessing the utmost integrity and honesty.

We are one registered Democrat and one registered independent, and we are proud to have you as our Vice-Presidential candidate and feel privileged to help elect you as our next Vice-President in November.

You are a lady who has style, class, brains, composure and a sense of humor.

We admire you!

Sincerely,
