Dear Congresswoman:

Much congratulations. That you have win the candidate highest position of the vice head of state, and as first lady vice President of U.S. in the Democracy Part. Which have knowing from the television coverage of news reports in the recently a few days. now glad we are!

Because you have rich knowledge and wisdom, and also a great woman states-woman. it is naturally you win win a great victory.

The world situation is concerning the peace and war. In my mind, peace is better, and to make away the catastrophe of Nuclear war and no war among the Asia, Europe and others, and possible.

Although we have not seen face to face, but our mind and idea to love peace and others are same. And I am as a good-will peace man, and now to research and study the world peace and Christ science, So that, I can write.

Here is a poem in chinese and translate into English named "Peace So Sweet", as a gift congratulations to and honourable Mr. Mondale for success. And here is enclosing a copy letter of Honourable Mr. Trudeau, Prime Minister of Canada for reference.

Best wishes.

Sincerely Your's

Good-Will Peace Man.
How wide and calm the sea, and the weather is so fine, the waves are white, and a seagull is flying in the sky.

We are happily living on the five parties one of earth, and enjoy all the kind of green trees, all big rivers come from a part and through the other of it, the waves dance as same as it welcome the men.

The cloud is hung on the sky and slowly flying together with the sea, now beautiful as a lady putting on a new dress.

Say! how sorry! the two wars had broken out, many lives had been buried under the sand, then how many wives had shed their tears for them!

Oh! Heroes! You had die and lie down in just a small piece of land.

Dear! Remember that General Napoleon and hitler have been called great Heroes and occupy the most parts of the land of Europe, but their triumph was not as good as Mr. Columbus, and Mr. Magellan Ferdinand.

One generation has been passed, that "five wars on the parts of this world" have been appeared again, you know how deeply hated by them?

My god! Peace is so sweet, if you will enjoy that you must harder work and cultivate with your sweat and blood.

when the wind of spring will blow up and the wind of winter has passed away, this is a wonderful time, let us see! if the nuclear war will break out, whom as a master of this world, or whom as to destroy to-day?
