1	women were raped, they were shot in the head and killed. One
2	of the women was shot nine times, the other one was shot three
3	times, according to the record before me. Personal property,
4	checks and credit cards were stolen. And you, along with
5	others, were participants in this crime. That is what the
6	record says.
7	Do you want to talk about it?
8	A Yes, I do.
9	Q Did you participate in this terrible crime?
10	A Partial.
11	Q You were there?
12	A I wasn't inside the dwelling.
13	Q Why don't you tell me what you did; you drove the
14	car?
15	A No, I didn't.
16	Q Tell me what you did.
17	A I was in the van, there was two other people
18	involved. They entered the house, I stayed in the van.
19	Q What was your purpose in going?
20	A The issue was a burglary.
21	Q You were going to commit a crime?
22	A Yes.
23	Q Okay.
24	A As far as rape and murders; in order for me to do
25	that, I would have to be on the weapon, with a gun, with

1	whatever caliber the woman was shot in. I did not do the
2	killing, I did not do the rapes. I was not inside the
3	dwelling, when all this took place.
4	Yes, things all happened in there; from what the
5	arresting officers told me. It was after the fact that shots
6	were fired, when everyone was raped; I don't know. I didn't
7	have any knowledge of that, until after the fact.
8	Q How did you get convicted then, because you didn't
9	do anything?
10	A I aided and abetted and acted in concert of some
11	part of the crime.
12	Q Okay. Now we are getting someplace; aren't we?
13	A Yes.
14	Q You are guilty of the crimes because you aided and
15	abetted. It doesn't mean you pulled the trigger; it doesn't
16	mean you were the person participating in the sexual assault;
17	you were there, you were participating in a crime and here you
18	sit.
19	A Yes. But I'm bringing forth to the Board members, I
20	had no knowledge of a crime taking place prior to what I
21	participated in.
22	Q That is the chance you take when you associate with
23	people that you were associating with.
24	A I realize that now.
25	Q When you agree with fellow felons to go commit a

1	burglary, the chips fall where they may. If somebody dies,
2	here you sit, life sentence, right? That is basically the sum
3	and substance of it; isn't it?
4	A Yes, it is.
5	Q All right. You are fifty-four years old, correct?
6	A Yes, I am.
7	Q You have been in prison now twenty-nine years?
8	A Yes.
9	Q Long time. You came in your early twenties. But
10	your history actually started as a teenager in the started as a
11	didn't it?
12	A Yes, it did.
13	Q I don't know if these are felonies or misdemeanors,
14	they look relatively minor in terms of when you compare them
15	to these convictions, but a series of little violations that
16	caused you to do some local time in the second
17	You never did any State time, or did you?
18	A Never.
19	Q Never, okay.
20	Where is it do you think, Mr. that you took
21	the wrong turn in life and became a criminal?
22	A Being in the wrong place at the wrong time, with the
23	wrong people.
24	Q Since 1967; that is when your criminal history
25	started. You were, what, sixteen years old when you started

1	breaking the law, right?
2	A Yes.
3	Q So, from the age of sixteen up to the age of, what,
4	twenty-three, why so much bad behavior? You may not think it
5	was bad behavior, I guess. I think any crime is bad behavior,
6	you got a few of them.
7	So, I guess, tell me what was going on with your
8	life. I don't know for you; I'm trying to get a flavor for
9	who you were back then and where you took the wrong turn in
10	life and became a criminal?
11	A My goodness.
12	Q Were you using drugs?
13	A No, not at that time, I wasn't. After I came out of
14	trade school, I started using drugs.
15	Q Were you working?
16	A Sure.
17	Q What kind of job did you have?
18	A At the time, I was a blacksmith; I went to school
19	for mechanics, I graduated from auto mechanics and I started
20	working dealerships.
21	Q How did you end up in County?
22	A Being with the wrong people at the wrong time. I
23	never new I did, until after all the smoked cleared.
24	Q You were born and raised in the second
25	A Yes, I was.

1	Q Everything in your life was in <b>second and</b> you
2	venture over the State border into County and this
3	happens?
4	A Yes.
5	Q All right. Where are you at today; age fifty-four,
6	long time in prison. What are you doing; what have you been
7	doing since the last Board?
8	A I have been in ASAT program, I have been working
9	that ever since the last Board.
10	Q I see you completed that in October?
11	A Yes, I did.
12	Q Good.
13	A I am an aid in that now, working with the
14	Q Facilitator?
15	A Yes, I am.
16	Q Good.
17	A Working with the younger kids, giving them my
18	experience over making bad decisions, foolish mistakes and
19	time waits for no one.
20	Q What job do you do in the prison?
21	A I am a rec aid, I assist in that, as well.
22	Q If you were to be I notice you haven't had a
23	ticket in almost three years now, since April of '03, that was
24	a Tier 2; you haven't had a Tier 3 in almost five years; good
25	work.

2	COMMISSIONER CROWE: Denied, twenty-four
3	months. Next appearance 1/08.
4	Upon a review of the record, personnel
5	interview and due deliberation, it is the determination of the
б	Panel that parole is denied.
7	You are presently incarcerated upon your
8	conviction of murder second, two counts; robbery first, four
9	counts; burglary second and grand larceny auto third, two
10	counts.
11	You participated in an in concert robbery,
12	during the course of which, two female victims were raped and
13	shot in the head; resulting in their death.
14	Your history of criminal justice involvement,
15	dates to 1968 and includes multiple convictions spanning
16	multiple jurisdictions.
17	Your programing and disciplinary record since
18	your last Board appearance are noted. All factors considered
19	the Panel concludes that discretionary release must again be
20	denied. You participated in vicious and violent crimes,
21	evidencing a callous disregard for human life.
22	Your lengthy history of criminal justice
23	involvement and negative response to past correctional
24	influences makes your continued incarceration warranted. Your
