Dear Ma. Ferraro:

My handwriting's not "beautiful" (my wife says) so this is typed.

Mr. We, my wife [redacted] and I, would like to extend an invitation to you and Mr. Mondale to go to church with us, if your campaigning in Connecticut — particularly Fairfield County — should bring you this way.

We recognize you are of a different faith from us and that it might run counter to the dictates of your conscience to accompany us, either yourself alone or with Mr. Mondale, so we won't be upset if for any reason we can't expect anything to work out for us all. We wouldn't expect it to be the first Sunday of the month — that's when we celebrate the Lord's Supper and both your participating or not participating might upset everyone — but any other Sunday (10:00 A.M.), we'd love to share with you. Best of luck and

Best regards,

William Shenton

Dear Mr. Mendale:

My wife told me to type this, my handwriting's not 'beautiful' even though this is personal.

My wife, [Redacted], and I would like to invite you and Ms. Ferrare to go to church with us on Sunday this Fall. (See enclosed copy of letter to her). If your campaign should bring both of you, this way, do take us up on it. We've belonged to the same church (uptown Stamford) for about 25 years and there is a balcony in it where all of us - I'm assuming you'd have some kind of entourage - could be accommodated.

We've been careful to exclude from the invitation the first Sunday of the month when we celebrate the Lord's Supper. That doesn't mean you alone couldn't accept our invitation at that time, if that's when you should find yourself able to do so. If it's out of the question, don't worry about it.

Best of luck and regards,

[Redacted]

Walter Mondale - P.S.

After church the congregation generally goes to one of the other buildings behind the meetinghouse, the Guild House, for coffee. Chance to "press the fluf h" there. And we could drive downtown to a couple of blocks from our home home to the Century Diner for some eggs or coffee and - whatever you'd like. This is possible.

P.P.S.

There is a telephone and a bathroom in the Guildhouse, some goes for the Century diner and, in a pinch, our apartment too.

First Sunday of the month = Lord's Supper. Sunday school Sundays. Assorted board and committees meet evenings. Sunday worship 10:00 a.m. (Not at the "most segregated hour in the U.S." as a matter of fact. Rev. William Sexton, wife Susan and son John (about 16, arm injured right now) and daughter Rachel (about 15 - going to Dartmouth as a Freshman in Fall, President of student body the whole family went to D.C. for the presentation of the medal) Bill was ordained in the Methodist Episcopal, I think) church, but has no one our way.

Church is in predominantly Republican (middle managers, etc) 25th or 24th city district. Member of church atty. J. Robert Brumley was member of Board of Reps. until forced to resign because of residence requirements a few years back.
