REPRESENTATIVE(VICE PRESIDENT) GERALDINE FERRARO

Deepdene Road

Forest Hills, Queens, New York

Dear Geraldine:

May this 74 year old columnist for THE EXPERIENCED CITIZEN newspaper, the editor of the NEWS&VIEWS senior citizen publication, and a direct correspondent with all the Senior Citizen and Laryngectomee Clubs, across the United States, congratulate you on being nominated as the next Vice President of the United States. And too, all the Grandpas and Grandmas, their children and grandchildren, wish to thank you for accepting the nomination for this high office, because your past performance in political actions indicate that you are interested in the needs of the American citizens, particularly the elderly and disabled.

There are countless millions of aged, registered voters who are unable to travel to their respective voting polls, because of severe attacks of arthritis, etc., on a voting day, particularly that one date in November, when inclement weather conditions are gripping most of the country.

Our ongoing campaign, New Jersey Senate Bill S-538, which we trust will be incorporated with the Equal Access to Voting Rights Act, Bill H.R.1250, would seek the extension of the Absentee Ballot Law, to permit ALL registered senior citizens, 65 years or older, the option of casting their vote via the United States Postal Service, the same method they utilized to obtain their voter registration to vote. A tremendous increase in voter participation will be realized in 1984, if you would apply the "FERRARO HUMAN TOUCH". Thank you for your immediate consideration, and may this oldster please have an autographed picture of our next Vice President?

Respectfully yours
