Dear Sir,

WASHINGTON OFFICE

I am very glad that you was nominated for the President (Vice) Election from the Demacratc party because, the White House administration should be change otherwise, the principle, policy and the motive of Americans will be a failure. Regan's administration earned in Asia a very bad name for America, because peoples of the whole world likes America not because it is a powerful nation, not because it is a rich nation, they admire because of its demacaratc principle & Policy, and with an assumption the America will protect and save other Nations human rights and freedom. But from the past years they lost their confident in America, Regan's administration supported for an military rule in Parkistan and Bangladash. In Philipines only in name a demacaratcive Government. but every think is vice-versa. In Sri Lanka many problems. India is a well and good democrative nation but America lost its good -will towards it, because of its administration, Golden principle, policy and motive of Americans was wrongly manipulated by Regans administration, there is military rule and many thousands lost their human rights and freedom the freedom lovers were neglated, the freedom fighters were suppressed therefore I welcome for your nomination and pray the God for your success to save the freedom and Human rights of the world and to avoid an Atomic war.

If you allow me as a Volunteer for election campaign I am prepared to come America in my own cost & work for you up to the Election over.

Anticipating fav.ourable reply.

Thanking you.

Yours faithfully,
