Dear Nancy:

Attached is a letter for your use in forwarding on to Congresswoman Ferraro. To refresh your memory, we spoke on the phone Friday and I told you I was [REDACTED] daughter.

Could you also let me know when and where the fundraising events will be? There are a number of people that are looking for such a vehicle and I will pass that information on to them.

Thanks for your help. My gut feeling is that it's going to happen - it's going to take a lot of hard work - but it's going to happen.

Best,

[REDACTED]

Dear Congresswoman Ferraro:

Congratulations on being selected for nomination as Vice President of the United States, You're right - it does have a nice ring to it! This is going to be a most hectic time, yet one of the most exciting few months for you and your supporters.

I would like to volunteer my help in any way to support you in your campaign. My background briefly - I am a resident of New Jersey, work for the Chairman of a large publishing company and in that capacity handle numerous administrative duties including scheduling meetings and sales conferences (this involves working with hotel people/making travel arrangements/arranging for audio visual and getting use to working 20 hours a day).

I grew up in Ridgewood, Queens and my parents still live there and are active members of the Democratic Club. Your efforts on behalf of having their zip code changed are legend!

In the early 1970's I was elected to Democratic Committeewoman of Lincoln Park, New Jersey and campaigned for George McGovern during the primary and the national election.

If I can be useful to you in this campaign in any way, please let me know.

Sincerely yours,
