WASHINGTON OFFICE

Ms. Geraldine Ferraro
c/o U. S. House of Representatives
Washington, D.C. 20001

Dear Ms. Ferraro:

First of all, let me congratulate you for winning the nomination for Vice President of the United States for the Democratic Party. In my opinion, you are a "natural" for that Office. You have broadened the scope of futuristic endeavors for us of the female gender. With that, I will request that you open up an avenue for me if it is within your power to do so. For all of my adult life, I have wanted to help those among us who are labelled "Underprivileged"; I feel that I would be an asset to any Office of the Government that deals with those of us who are less fortunate. I would say that the reason I have not ventured into that field up until this point is largely due to the fact that I was never inspired to do so. Your nomination prompted me to take this first step in that direction. I know you are extremely busy and something of this nature is very trivial (from certain points of view); but, I implore you to keep me in mind after you become our first second lady and begin initiating programs of this nature.

Again, congratulations and may you attain and carry out all that you are capable of.

Sincerely yours,
