Dear Congresswoman Ferraro,

Hearty congratulations on your historic campaign. While we are disappointed with the outcome, your campaign reached the substance of the moral and real issues of our time and our future and for that we thank you. You and Mr. Mondale told it like it was to an electorate which was interested only in television imagery without substance.

Best wishes to you personally as we expect to hear much from you within the leadership of the democratic party nationally for many years to come. Thank you again for addressing the real issues as a true political pioneer.

Please enjoy our island and don't be a stranger. We're proud to have you as our neighbor and friend.

Cordially,
