DEAR MS. FERRARO,

I'm certain in the midst of
this chaos your hands will not
be holding this letter. I hope,
however, you will hear the message
and use me when the need arises.

I watched you in 1980 at the
NIAF. It was there that I gave
politics more than half hearted
credibility.

I am behind you and will work
to get others behind you. It's not
because you're a female or Italian.
It's because for a change, I
believe in the integrity and "no
nonsense" of one who is in the
political arena.
