The Honorable Geraldine A. Ferraro
House of Representatives
Washington, DC 20515

Dear Mrs. Ferraro:

I congratulate you on your being selected as the candidate for Vice-President of the United States of America of the Democratic Party in 1984.

It is good to see that U.S. women will be receiving this long overdue recognition which I believe will improve the situation, in so far as human relations are concerned, for all of us.

I encourage you to place world peace and social improvement for the U.S.A. and world community above all else. The military does a great deal of harm to the people of the world, and not otherwise.

I also encourage you not to follow the negative and destructive example set by Prime Minister Margaret Thatcher of the United Kingdom during the conflict of the Falkland Islands (Islas Malvinas).

I was raised in New York City and born here in Puerto Rico, and will be unable to vote for you or in any presidential elections, but I wish you the best of luck anyway.

Sincerely,
