May Success Be Yours
Dear Larry,

wishing you every success on November 16th.

In the past few weeks hearing the name Geraldine Ferraro and about your mother and family brought back many memories for me.

My mother is Italian and is 82 years young. Nineteen years ago when I received a promotion in my firm the first words she said were "If only your father was alive to see this."

We all watched your acceptance speech and were very proud that you will be our next Vice President not because you a woman or Italian but because our country needs you (over).
No one deserves it more!
Wishing you good health and continued success in all your future endeavors.
