Congress woman  
Geraldine Ferraro

Dear Mrs Ferraro,  
I would like to say "thank you" for  
your stand for nuclear disarmament, which I pray, will  
lead to world disarmament. As the arms race escalates  
daily and millions of people become more and more  
hopelessly impoverished one feels a terrible sense of urgency

nuclear powers. The pressures put upon people and political parties who try to adopt any real peace seeking measures such as nuclear weapons-free zones, scrapping of military alliances, refusal to co-operate with the military manoeuvres of any other country, are very great as we are experiencing already in New Zealand. I'm sure those who seek peace and disarmament need all the support, prayers and encouragement to maintain their resolve to save all humanity and this beautiful world of ours from hatred and destruction, starvation and misery. We have no alternative but to disarm to dispel fear and suspicion and then start to trust, to love and to hope.

May God bless you and give you his strength and wisdom.

Yours sincerely
