Dear Ms Ferraro:

I am delighted that the women in the United States finally have a candidate for the office of Vice President... and that you were chosen.

I for one know the struggle we women have to face to compete in a man's world for job recognition, equal pay & respect. It has been a hard row to hoe and everyday I have to

prove myself in the
working environment. I do not
have any daughters but I hope
that you will win not just
for our generation of women, who
have had to struggle long and
hard, but to pave the way
for the daughters & their
daughters. So that future generations
will not have such a difficult
time both in the marketplace
& in life in general.

Your nomination gives me
& I'm sure others a feeling of no
longer having to be treated like

a second class citizen. My
support is with you & a check
is being sent separately to the
Women's Campaign fund. -

Keep up the fight - I'm
with you all the way.

Sincerely,
