Dear Congresswoman Ferraro-

Congratulations and Best Wishes!

I am a widowed grandmother who feels strongly about the Democratic platform, and who has a very great desire to defeat Ronald Reagan.

I do hope that when you debate ~~Mr. Bush~~ you will remember amongst other things his reference to the possible success of a "limited nuclear" war, and his "voodoo economics".

I also hope the Democrats will utilize the 65(?) names on the Reagan list beginning with Allen --- Burford --- Watt --- Wick - etc. that is somewhat

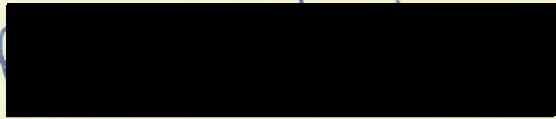

"Alamy".

Each day I make a vow to collect another Democratic voter - and have been registering students at two New Jersey Universities.

I am enclosing a Times letter of Amiel Adams written a short time before his death -

Pray that all our efforts will indeed defeat Mr. Reagan.

Good luck!
