Congresswoman Sandra Fong:
There is a lot of hard work for all hard working Democrats. We have just begun to fight for our principles. Remember it.

Senator Gary Hart is not a union man. He is a #1.

I want to see the 70 X 9 Reagan/Eat Crow. The same as Jimmy Carter eat crow.

He is no better.

I am going to write to Los Angeles mayor Tom Bradley to set California to go your way.

We need the golden state of California. Thus to Texas and the #2 state.
We will come out. Reading was ready. There is no way.

I know we will be Victor in November.

We are going to work hard as hell. I'm leaving her on

you next Tuesday.

With love,
