Washington, D.C.

Dear Congresswoman Ferraro:

Although we are not American voters, we would like to express our admiration for your political accomplishments.

Having just completed an election campaign here in Canada, we realize the tremendous challenges and pressures which are inherent within the electoral process. To us, you embody qualities of strength and grace and have infused the American election campaign with vitality, wisdom and humour.

It is our hope that you and Mr. Mondale will be successful on November 6th. As you can appreciate, the outcome of the American election has enormous consequences for Canada and we wish you and Mr. Mondale the very best of luck.

Sincerely,
