This is my last pitch toward Reagan, the self called Son of a Bitch, as stated in the Time Magazine Dec 5, 1983 on page 19; This was another goof by Reagan also calling his good mother a Bitch. For sure women voters and mothers of America do not want to be, referred to as a Bitch. This type of a lowbred man, that shows no respect for his mother; U.S.A. does not need for a President.

Imp Reagans immature thinking is backwards, he is thinking from his rear end, over and over again. For peace and world respect he should not build war bases outside of U.S.A.: Dismantle all of them, then bring the parts back to be reinstalled on our own land for self defense or the world will be turning later with only ashes on it, because of Reagans power madness fit, like most all Presidents get.

Why should U.S.A. be drained of Billions of dollars each year to blackmail nations for war bases? Reagans Plans are to help Russia weaken, divide and Conquer as everything he does helps them more. Whoever heard of selling grain to our enemy: Russian people pay 25 cents for a loaf of bread, U.S. people pay 300% more. Perhaps Nixon and following Presidents get elected by selling Russia grain so cheap?

In the past who has been supporting Reagans high cost living, as his wifes clothes has cost more than his governors and Presidents salary? Maybe it all comes from money hog or Russia's thin air! Yes traitors, lowbred and waste from within, is the only way how Russia can win!

* Also its being done in all the way, everyday in the divided U.S.A. *
"Reagans Comprehension of peace is lame, by having wars first, he plants death to grow faster and is immuned for same"
