Dear Gerri:

While on my way to work this morning, I turned on the car radio and heard what has got to be some of the best news I've heard in a long time. As a matter of fact, I was so overcome with joy for you, I started crying.

I am proud of you as a woman, as an Italian, and as an August 26th baby. Who knows, maybe since we share the same birth date, you have paved the way for me to become Vice President 10 years from now?

Come November, win, lose, or draw, you have already won. I will be plugging for you.

Best wishes,

Jackie Biaggi  
Associate Director
