RECEIVED

JUL 30 1984

The Honorable  
GERALDINE A. FERRARO  
House of Representatives  
Washington D.C. 20515

Dear Mr. Ferraro:

Please find enclosed a brief report prepared by Marino Recio Associates of Caracas, Venezuela, which focuses on the debt problem as it affects the economies of Latin America.

The report was published in Spanish last year, but in view of the continuing difficulties of countries in the region sin servicing their foreign debts it has been translated into English.

We hope that its conclusions and the possible solutions to the economic problems in the area will be to your interest and will provide a useful contribution to current debate on the subject.

Very truly yours,

  
Marino Recio
