STATE OF NEW YORK – BOARD OF PAROLE

APPEALS UNIT FINDINGS & RECOMMENDATION

Name: Day, Kevin

DIN: 87-B-1354

Facility: Attica CF

AC No.: 07-006-19 B

Findings: (Page 1 of 1)

Appellant challenges the June 2019 determination of the Board, denying release and imposing a 12-month hold. Appellant's instant offenses included robbery and attacking a woman with a broken bottle and cutting her before removing her clothes and attempting to rape her. Appellant raises the following issues: (1) the Board failed to consider Appellant's sentencing minutes; (2) the Board failed to consider Appellant's Transitional Accountability Plan (TAP); (3) the Board failed to consider Appellant's risk assessment; and (4) the Board's decision was arbitrary and capricious, and irrational bordering on impropriety.

A review by the Appeals Unit reveals that the Board failed to adequately consider the Transitional Accountability Plan (TAP) and risk assessment. 9 NYCRR §§ 8002.2(a), 8002.2(b). The interview contains no discussion of either the case plan or the COMPAS instrument. As such, a *de novo* interview is appropriate.

Recommendation: Vacate and remand for de novo interview.
