STATE OF NEW YORK – BOARD OF PAROLE

APPEALS UNIT FINDINGS & RECOMMENDATION

Name: Guinn, Robert

DIN: 11-A-3378

Facility: Attica CF

AC No.: 07-069-18 B

Findings: (Page 1 of 1)

Appellant is serving a sentence upon his conviction of multiple offenses including Rape in the first degree. Appellant waived his appearance before the Board for an initial parole release interview in June 2018. In the instant appeal, Appellant challenges the June 2018 determination of the Board denying discretionary release to parole as erroneous, arbitrary and capricious. Among other things, he points out that he completed recommended programs such as the sex offender program [REDACTED]

A review of the record confirms Appellant completed SOP [REDACTED]. However, the Board decision notice contains a recommendation that he enter and complete [REDACTED] sex offender treatment. It therefore appears the Board relied on erroneous information. Accordingly, a *de novo* interview is appropriate.

Recommendation: Vacate and remand for de novo interview.
