STATE OF NEW YORK – BOARD OF PAROLE

APPEALS UNIT FINDINGS & RECOMMENDATION

Name: Williams, Wonder

DIN: 10-A-0102

Facility: Mid-State CF

AC No.: 07-047-18 B

Findings: (Page 1 of 3)

Appellant was sentenced to eight years, four months to 25 years upon his conviction of Conspiracy in the second degree, Assault in the first degree, and Criminal Possession in the second degree. In the instant appeal, Appellant challenges the June 2018 determination of the Board denying release and imposing a 15-month hold on the following grounds: (1) the Board erred in its decision by overemphasizing the present offense, prior criminal history and past failures at rehabilitation despite his COMPAS instrument and other factors such as his good institutional record; and (2) the Board failed to explain how it weighed the applicable factors or adequately explain why parole was denied. These arguments are without merit.

As an initial matter, discretionary release to parole is not to be granted “merely as a reward for good conduct or efficient performance of duties while confined but after considering if there is a reasonable probability that, if such inmate is released, he will live and remain at liberty without violating the law, **and** that his release is not incompatible with the welfare of society **and** will not so deprecate the seriousness of his crime as to undermine respect for the law.” Executive Law § 259-i(2)(c)(A) (emphasis added); accord Matter of Hamilton v. New York State Div. of Parole, 119 A.D.3d 1268, 990 N.Y.S.2d 714 (3d Dept. 2014). Executive Law § 259-i(2)(c)(A) requires the Board to consider criteria which is relevant to the specific inmate, including, but not limited to, the inmate’s institutional record and criminal behavior. People ex rel. Herbert v. New York State Bd. of Parole, 97 A.D.2d 128, 468 N.Y.S.2d 881 (1st Dept. 1983).

In 2011, the law was amended to further require procedures incorporating risk and needs principles to “assist” the Board in making parole release decisions. Executive Law § 259-c(4). The Board satisfies this requirement in part by using the COMPAS instrument. Matter of Montane v. Evans, 116 A.D.3d 197, 202, 981 N.Y.S.2d 866, 870 (3d Dept. 2014); see also Matter of Hawthorne v. Stanford, 135 A.D.3d 1036, 1042, 22 N.Y.S.3d 640, 645 (3d Dept. 2016); Matter of Robles v. Fischer, 117 A.D.3d 1558, 1559, 985 N.Y.S.2d 386, 387 (4th Dept. 2014). Notably, the 2011 amendments did not eliminate the requirement that the Board conduct a case-by-case review of each inmate by considering the statutory factors including the instant offense. The amendments also did not change the three substantive standards that the Board is required to apply when deciding whether to grant parole. Executive Law § 259-i(2)(c)(A). Thus, the COMPAS instrument cannot mandate a particular result. Matter of King v. Stanford, 137 A.D.3d 1396, 26 N.Y.S.3d 815 (3d Dept. 2016). Rather, the COMPAS is an additional consideration that the Board must weigh along with the statutory factors for the purposes of deciding whether the three standards are satisfied. See Matter of Rivera v. N.Y. State Div. of Parole, 119 A.D.3d 1107, 1108, 990 N.Y.S.2d 295 (3d Dept. 2014); accord Matter of Dawes v. Annucci, 122 A.D.3d 1059, 994 N.Y.S.2d 747 (3d Dept. 2014); see also Matter of Gonzalvo v. Stanford, 153 A.D.3d 1021, 56 N.Y.S.3d 896 (3d Dept. 2017).

STATE OF NEW YORK – BOARD OF PAROLE

APPEALS UNIT FINDINGS & RECOMMENDATION

Name: Williams, Wonder

DIN: 10-A-0102

Facility: Mid-State CF

AC No.: 07-047-18 B

Findings: (Page 2 of 3)

While consideration of the statutory factors is mandatory, “the ultimate decision to parole a prisoner is discretionary.” Matter of Silmon v. Travis, 95 N.Y.2d 470, 477, 718 N.Y.S.2d 704, 708 (2000). Thus, it is well settled that the weight to be accorded the requisite factors is solely within the Board’s discretion. See, e.g., Matter of Delacruz v. Annucci, 122 A.D.3d 1413, 997 N.Y.S.2d 872 (4th Dept. 2014); Matter of Hamilton, 119 A.D.3d at 1271, 990 N.Y.S.2d at 717; Matter of Garcia v. New York State Div. of Parole, 239 A.D.2d 235, 239, 657 N.Y.S.2d 415, 418 (1st Dept. 1997). The Board need not explicitly refer to each factor in its decision, nor give them equal weight. Matter of Betancourt v. Stanford, 148 A.D.3d 1497, 49 N.Y.S.3d 315 (3d Dept. 2017); Matter of King v. Stanford, 137 A.D.3d 1396, 26 N.Y.S.3d 815. In the absence of a convincing demonstration that the Board did not consider the statutory factors, it must be presumed that the Board fulfilled its duty. Matter of Fuchino v. Herbert, 255 A.D.2d 914, 914, 680 N.Y.S.2d 389, 390 (4th Dept. 1998); Matter of McKee v. New York State Bd. of Parole, 157 A.D.2d 944, 945, 550 N.Y.S.2d 204, 205 (3d Dept. 1990).

The record as a whole, including the interview transcript, reflects that the Board considered the appropriate factors, including: the instant offenses wherein Appellant, following an argument, handed a loaded gun on his person to his co-defendant and the co-defendant fired shots striking three people and then, while incarcerated, Appellant attempted to hire someone to kill the victims; Appellant’s criminal history and that he was on probation in Delaware at the time of the instant offense; his history of gang involvement; his institutional record including programming such as ART workbook and improved discipline; and release plans to transfer back to Delaware, live with his grandmother and work. The Board also had before it and considered, among other things, an official D.A. statement, Appellant’s case plan, the COMPAS instrument, and letters of support.

After considering all required factors and principles, the Board acted within its discretion in determining release would not satisfy the standards provided for by Executive Law § 259-i(2)(c)(A). In reaching its conclusion, the Board permissibly relied on the instant offenses, Appellant’s lack of insight regarding his culpability, his lack of honesty regarding his violent history of behaviors and minimization of the fact that he was on community supervision, and his engaging in activities that violated the conditions of community supervision. See Matter of Silmon v. Travis, 95 N.Y.2d 470, 478, 718 N.Y.S.2d 704 (2000); Matter of Singh v. Evans, 118 A.D.3d 1209, 987 N.Y.S.2d 271 (3d Dept.), *lv. denied*, 24 N.Y.3d 906, 995 N.Y.S.2d 715 (2014); Matter of Davis v. Evans, 105 A.D.3d 1305, 963 N.Y.S.2d 485 (3d Dept. 2013); Matter of Fuchino v. Herbert, 255 A.D.2d 914, 914, 680 N.Y.S.2d 389, 390 (4th Dept. 1998). The Board also cited that his COMPAS scores, while low overall, were elevated for history of violence and risk of felony violence. See, e.g., Matter of Crawford v. New York State Bd. of Parole, 144 A.D.3d 1308, 46 N.Y.S.3d 228 (3d Dept. 2016), *lv. denied*, 29 N.Y.3d 901, 57 N.Y.S.3d 704 (2017). The Board encouraged him to continue to maintain a positive disciplinary record and develop further insight into his behavior.

STATE OF NEW YORK – BOARD OF PAROLE

APPEALS UNIT FINDINGS & RECOMMENDATION

Name: Williams, Wonder

DIN: 10-A-0102

Facility: Mid-State CF

AC No.: 07-047-18 B

Findings: (Page 3 of 3)

The Board’s decision satisfied the criteria set out in Executive Law § 259-i(2)(a) and 9 N.Y.C.R.R. § 8002.3(d), as it was sufficiently detailed to inform the inmate of the reasons for the denial of parole. Matter of Applegate v. New York State Bd. of Parole, 164 A.D.3d 996, 997, 82 N.Y.S.3d 240 (3d Dept. 2018); Matter of Kozlowski v. New York State Bd. of Parole, 108 A.D.3d 435, 968 N.Y.S.2d 87 (1st Dept. 2013); Matter of Little v. Travis, 15 A.D.3d 698, 788 N.Y.S.2d 628 (3d Dept. 2005); Matter of Davis v. Travis, 292 A.D.2d 742, 739 N.Y.S.2d 300 (3d Dept. 2002). The Board addressed a number of the factors considered in individualized terms and explained those that ultimately weighed most heavily in its deliberations. However, the Board was not required to address, or articulate the weight accorded to, each factor considered in its decision. See Matter of Mullins v. New York State Bd. of Parole, 136 A.D.3d 1141, 1142, 25 N.Y.S.3d 698 (3d Dept. 2016); Matter of Allis v. New York State Div. of Parole, 68 A.D.3d 1309, 1309, 890 N.Y.S.2d 200, 201 (3d Dept. 2009).

In conclusion, Appellant has failed to demonstrate the Board’s decision was not made in accordance with the pertinent statutory requirements or was irrational “bordering on impropriety.” Matter of Silmon v. Travis, 95 N.Y.2d at 476, 718 N.Y.S.2d 704 (quoting Matter of Russo v. New York State Bd. of Parole, 50 N.Y.2d 69, 427 N.Y.S.2d 982 (1980)).

Recommendation: Affirm.
