## **CLOSING REMARKS**

MR. DONALDSON: Let me say, I don't get much of a chance to sit at this table and use my two ears and not my mouth. It's nice for me to be here, to have a chance to listen to this discussion.

I want to thank all of you so much for your time. For a layman, it's been a very educational process for me. I hope we can add to this next time. We will produce a record of the words said here today and maybe find some consensus. Thanks again for coming.
