Dear John:

Your article in the Fordham Law Review finally reached me in the middle of last month. I have just finished reading it. It is well organized, well researched, and turns up with a good plausible conclusion -- though I think you over-write "separation of powers"; I prefer to say they are divided but not separate. I might add that the piece turned out to be timelier than you knew. Keep up the good work.

Sincerely yours,

Joseph C. McKenna, S.J.
